

Greetings!

Did you know that the blessing of the Lord makes a man rich as it adds no sorrow? This means that if God blesses you, there will be no sorrow attached to the blessing. No regrets. Did you know that one blessing from God can change your life forever? It happened to me many years ago, and from that day, my life has never been the same. Many people will try to discourage you along the journey of life. I call them the naysayers meaning the people who speak that are very critical of your success. Those who genuinely don't know you because if they did, they would change their words. Don't allow these people to steal your hope and your dreams. As long as you can dream, you will have the ability to become more than a conqueror through Christ. You may say what did I do to deserve this blessing. I tell you this day you did nothing to deserve this blessing. And you can't put a price on it because you could never repay God for his precious gift Jesus Christ. So, in essence, the death of Jesus simply gives you access to the Father. It gives you covenant rights for being the seed of Abraham. It gives you the covenant right to walk in your authority as a child of the most high God.

Now listen very carefully to what I am about to say.

Just because you know who you are does not mean that many other people will understand who you are. So we must represent the kingdom of God at all times. And the way you do this is by being an ambassador for Christ. This means that you must serve the kingdom. I'm not saying start by knocking on people's doors to spread the good news. That is ok as well, but that is not my point. My point is this: Let your light shine so men will see your good works and glorify your Father who is in heaven.

Don't be wise in your own eyes; always fear the Lord and depart from evil. Stay connected to the anointing, and don't go astray. Study and meditate in the things of God continually. Embrace the spiritual laws, and you will prosper.

Don't put a time frame on when God will change in your life.

Sometimes it takes a while before God will make significant changes in your life. Does this mean you should get weary and quit on God?

Absolutely not!!!

This is the time to sow more seed!!! Amen. One thing that I know to move the heart of God is a seed. Because your seed shows your level of faith. And faith produces hope with an expected end. And when you walk in expectation, you will receive a harvest from God. Your blessing will come in the form of seed, so don't use all of it, sow it. Make sure you sow some back into the kingdom of God. This is accomplished by helping others with your seed. So giving and sharing is sowing good seed. And remember this, It's not always about money.

Money is only one form of seedtime and harvest time.

So remember this; Jesus died so you could have the Father's blessing.

Keep most holy faith as you continue to journey with me as I follow Christ Jesus. Stay well, my brothers and sisters. Your Pastor Ernest Scott.
